- **Kaye Vosburgh** holds the highest rank, *Riji*, in the Sogetsu School of Ikebana. Kaye will create six designs for us, share tips and ideas. She will also be selling her arrangements, with containers.
- **Jordan's Jungle**, Pawtucket based company specializing in hard-to-find houseplants. Darin provides an overview of air plants and other exotics and how to care for them.
- **The Commonwealth of Massachusetts Division of Fisheries and Wildlife** representative has an exciting program for us. "60,000 years in 60 minutes: Changes in the landscape, the wildlife and the human residents of southern New England over 60,000 years."
